Journey with us to Sierra Leone to experience the power of genuine partnership and deep, earth democracy – non-adversarial relationships among peoples and the earth. You will have the opportunity to learn about the history, culture, and traditions of the communities we visit. Circle Trips provide a life-changing opportunity to understand the complex historical and ongoing relationship between the USA and West Africa.

Circle Trip participants will engage in various village activities or contribute to SLFND projects. Possible opportunities for 2019-20 are:

- Learn about traditional Sierra Leonean foods and learn to cook
- Visit Tacugama Chimpanzee Sanctuary
- Teach or assist at Dovalema Early Childhood Co-op
- Gain hands-on experience in design and construction
- Spend a day on the farm with a family
- Engage in community dialogue & healing from our past
